Unforgettable memories in HiGA

Some of my best memories in HiGA have been in the different activities and festivals held on the island. A big part of Osakikamijima's charm is in its people, and the community has always welcomed international students and gone out of its way to help us experience Japanese culture. From having a traditional Japanese tea ceremony or learning the mochi-making process at school, to helping in rice planting and attending firework festivals, every activity has resulted in unforgettable memories.
